Reference Price Adjustment – Bank of Maldives Plc (BML)

The Maldives Stock Exchange (MSE) hereby informs the market that, pursuant to the corporate actions adopted on the 43rd AGM of Bank of Maldives Plc (BML) of a bonus issue (2:1) and share split (10:1) of Bank of Maldives Plc (BML), the reference price of the security has been adjusted accordingly.

Based on the last traded (closing) price of MVR 2,420.00 as at the cum-entitlement date, 17 March 2026, the adjusted reference price is calculated as follows:

Total shares post corporate actions: 3 (bonus adjusted) × 10 (split) = 30 shares
Adjusted Reference Price: 2,420.00 ÷ 30 = MVR 80.67 per share

The adjusted reference price of MVR 80.67 will be effective from the commencement of trading on 29 March 2026. This adjustment is being made to ensure continuity in price formation and to maintain fair and orderly trading conditions in the market.
